Career Objective

Detail-oriented and certified QA Tester with hands-on experience in Manual Testing, API Testing, and Automation Testing using Selenium WebDriver and Postman. Adept at identifying defects, ensuring software quality, and contributing to Agile development teams. Seeking an entry-level QA Engineer role to leverage my skills in a dynamic environment focused on product excellence.

Technical Skills

- Manual Testing: Test Case Design, Bug Reporting, STLC, SDLC, Regression Testing, Functional Testing, UAT, Smoke & Sanity Testing
- Automation Testing: Selenium WebDriver, TestNG, Maven, POM Framework, Basic Java
- API Testing: Postman, REST API, JSON, HTTP Methods (GET, POST, PUT, DELETE)
- Bug Tracking Tools: Jira, Bugzilla
- Test Management: TestLink, Test IO
- Database & SQL: MySQL (SELECT, JOIN, WHERE, GROUP BY, Aggregate Functions)
- CI/CD & Version Control: Git, Jenkins (Basic)
- Other Tools: MS Excel, Google Sheets
- Methodologies: Agile Scrum

Projects

E-commerce Website Testing | Manual + API + Automation

Tools: Jira, TestLink, Postman, Selenium WebDriver, Excel

- Designed and executed 20+ detailed manual test cases.
- Reported 10+ critical defects via Jira, reducing UAT defects by 25%.
- Performed API testing using Postman.
- Automated key scenarios using Selenium.

HRMS (OrangeHRM) Web Application Testing

Tools: Bugzilla, Selenium WebDriver, Excel

- Developed and executed 10+ test cases.
- Reported UI and functionality issues with detailed bug reports.
- Automated employee login and leave application test flows.

Online Banking System Testing (Self Project)

- Designed and executed test scenarios for login, fund transfers, and account management.
- Validated backend data using SQL queries (JOIN, SELECT, GROUP BY).

API Testing with ReqRes and Restful-Booker

- Created API collections, chained requests, and validated CRUD operations.
- Tested user login, creation, update, and deletion APIs.

Freelance Experience

Software Tester (Freelancer)

Jan 2025 – Present

- Conducted manual and API testing for web applications.
- Delivered defect reports and API evidence to clients.

Certifications

- Manual Software Testing – Udemy
- Live Project in Manual Testing – Udemy
- Automation Testing with Selenium WebDriver (Java) – Udemy
- SQL for Testers – Udemy

Education

- B.Tech in Electronics and Communication Engineering | MDU University, Rohtak, Haryana (2015–2019) | 69.34%

Languages

- English
- Hindi

Hobby

- Traveling
- Listening to Music
- Animal Welfare and Care
